# HEAL YOURSELF WORKSHOP SV TEMPLE OF MN

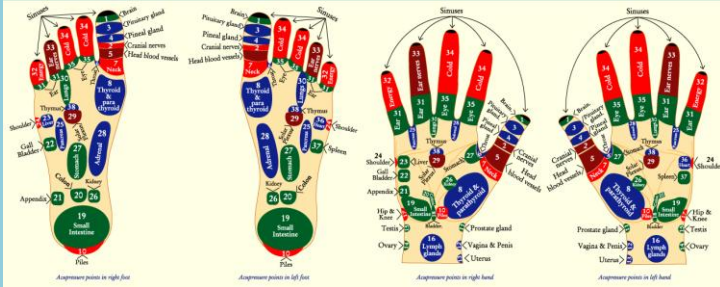

Health in your Hands through  
Acupressure and Naturopathy

By Prof. Ravindran, Founder - Yantra Foundation, Bangalore, India

He has an MD in Acupressure and is a Professor practicing Simplified Kundalini Yoga. He was under the able guidance of world renowned Dr Devendra Vora, a master in Acupressure and Natural Therapy. Prof Ravindran was initiated to yoga by Sri Vethatri Maharishi founder of World Community Service Centre, Chennai.

**Discover the treasure of good health in your body – Ancient Indian Science and Technology for modern age**

Prof Ravindran is a prolific speaker on various topics - that include Body, Mind, Consciousness, Energy, Science and practice of meditation based on Life/Bio Energy and Bio-Electromagnetism. He has presented workshops in over 10 major cities from coast to coast, including World Bank, DC.

This is a **free** event for the benefit of the community at large. There is no charge for this event - come, attend, learn and practice diagnosis, prevention and maintenance of good health through Acupressure and Naturopathy.

**“Do it Yourself, Zero Cost/Low Cost therapy, with no tests, no side effects and 100% safe!**

Come and see how:

- Thumb is used as an MRI machine in Acupressure to diagnose diseases
- Some minor ailments like neck pain, frozen shoulder can be treated or completely healed within minutes by applying pressure at particular points in palm or foot
- With Acupressure skills, Prof. Ravindran diagnoses patients diseases including cancer in a few minutes
- Prof. Ravindran amazingly can tell sugar level in blood (diabetes) in minutes by pressing person's palms (no needle or blood draw required)
- You can discover the treasure of good health in your hands and feet
