A Dollar a Day at SV Temple

Small Contribution. Big Impact.

Our temple has always been a place of worship, spiritual growth, cultural preservation, and community service. To strengthen and sustain these efforts, we are launching the "A Dollar a Day for Our Temple" initiative.

Why a Dollar a Day?

A small daily donation allows everyone to contribute consistently without financial burden. Together, these contributions create a reliable source of funding for temple operations, maintenance, community programs, and future growth.
